INTRODUCTION

The specialization of literary study by means of theory released an outpouring of intellectual energy, a wide array of theoretical perspectives that had been masked by literary study's traditional (biographical, philological and 'intellectual background') paradigms (Chambers & Gregory, 2006:64). Movie has a different theme, from the theme of animal life, the world of children, friendships to domestic life. Each theme has always had a different message. Scenario is required to make a movie interesting what the message is told in a story movie. The children can accept of both messages and cues from what they see. Every movie has message conveyed toward the audience.

The director covers it in a unique style, through the conversation and the actions of the characters. Moral values are part of the messages stated above. It is expected the good character for the audience can be built by analyzing moral values. The teaching of moral message will change mental to audience, or just giving an insight. Movie is a teaching with put the message in conflict. Conflict in the movie will motivate the audience in accordance with the movie. On the basis of the description above, the researcher interested to conducting a research entitled "An Analysis of Moral *Jistice League* Movie". The movie has a moral values that can be a motivation and moral learning process in behavior. Beside that some of the moral values in this movie also contain about family relationship. The research objectives are to find out the moral values in *Justice League* Movie, and it is to explore the moral values reflected in the character of *Justice League* movie.

METHOD

In this analysis the researchers used a qualitative descriptive analysis method, the method used by collecting data and analyzing an object and then described. According to (Creswell, 2012) the qualitative descriptive method serves to describe phenomena that can be found daily, in this analysis the researcher used *Justice League Movie*. The purpose of this descriptive study is to analyze the moral values found on the *Justice League Movie* script.

This research focused on the moral values found on the *Justice League Movie*. Since the data of the research served in form of words and not in form of number, it belongs to qualitative research. In this research, the researcher took the data to get the information before analyzing. The researcher find out the moral values. This research focused on the moral values existing in the script by *Justice League Movie* on the internet. The reseacher then analyzed the data. Lastly, the reseacher interpreted the result of the data.

FINDINGS AND DISCUSSION

Respect	1	6,25
Total	16	

Regarding to the table above we can conclude that the most finding moral values of giving is love and affection with the percentage 75% from the data. Then, follows by justice and mercy with the percentage 12,5% from the data. The las one with the same percentage finding there were kindness and friendliness, and respect with the percentage 6,25% from the data. From the table 3 show that the here the graph of the result moral values of being.

Graph 1 Frequency of the finding moral values of being on *Justice League* movie

From the table 4 show that the here the graph of the result moral values of giving

Graph 4.1 Frequency of the finding moral values of giving on *Justice League* movie

2. Moral The moral values reflect in main character of *Justice League* movie

The reflect from the character on the *Justice League* movie are they show togetherness on how the fight for the war. There are Aquaman, Batman, Flash, Green Lantern, Martian Manhunter, Superman and Wonder Woman. Each moral values finding on the movie show the characters play in a good way. They protect each other which we can see from the moral values finding. They are honestly, courage, peace and ability, self-confident and potential. Then, they also respect, love and affection, kindness and friendliness, and the last one justice and mercy.

DISCUSSION

In this discussion is the explanation detail of the findings. Here, the researcher provides the result of the analysis in finding the moral values use in *Justice League* movie based on the theory. The finding divide into two part regarding to the statement of the problems. The first part deal with the moral values find on the *Justice League* movie. The second part deal with the moral values reflect in the moral values found on the *Justice League* movie. The researcher provide the data that contains the moral values find in the movie.

This research also compares some previous study that have been done before from some expert. There are three studies that become reference for the researcher to conduct the final project. The first study was done by Nasir et. all with the title *An Analysis of Moral values in the Movie Coco*. The second study was conducted by Alawiyyah and Oktavi with the title *The Analysis of Moral Values in Dangerous Minds Movie by John N. Smith*. And the last one, the research have done by Nurjano et. all with the title *Moral Values and their Good Impacts in Hacksaw Ridge Movie by Mel Gibson*.

The researcher uses theory of moral values by Royal Purcel (1986:9) and Linday and Eyre (1993). They state there are two moral values findings. There moral values of being and moral values of giving. The moral values of being are honestly, courage, peace and ability, self-confident and potential, self-dicipline and moderation, and fidelity and chasitivity. Then, the moral values of giving are loyalty and dependability, respect, love and affection, unseksfishness and sensitifity, kindness and friendliness, and the last one justice and mercy.

In this discussion, the researcher find only four types each moral values of being and moral values of giving. The researcher take the sample from the data findings. The discussion explain in detail below.

1. Moral values of being found in *Jusctice League* movie

a. Peace and Ability

Peace and ability is the capability of facing a problem calmly and patiently. It explains that peace of ability is the tendency to try and accommodate rather than argue Linda and Eyre (1993). They also define peace of ability as calmness, peacefulness, and serenity.

The simple life.

I don't recognize this world.

I don't have to recognize it.

I just have to save it

From the example explanation above regarding to the peace and ability discussion it seems that the word of *Somple life*, and *I just have to save it*. It shows that those sentence is capability of facing problem. It shows that the word 'save' refers to solve the problem of life.

I'll try to keep up.

Can I keep this?

It's like this layer

of dimensional reality,

Based on the second example shows that the *I'll try to keep up* is the believe that can pass the problem on the reality. Those are the example of peace of ability.

b. Self Confident and Potentially

Self-confidence is the individuality, awareness, and development of gifts and uniqueness. Linda and Eyre (1993) explain that self-confidence is the same as we make decisions with our actions and give ourselves superiority.

Find the last one!

Its power will cleanse this world.

For the unity!

From the example above show that the world 'power' that will 'cleanse' the world is the capacity of individually and the development of gift that can give the best thing for world.

It's really cool you guys seem ready to do battle and stuff

The example above explain that confident for facing to battle. The decision for battle is the potential that comes from their capability for fight the world.

c. Courage sake of Kindess

Courage is the ability to confront the problem and take some decisions for the sake of kindness Linda and Eyre (1993). Courage is daring to attempt something difficult that is good and not to follow the crowd, brave to say no and influence others with it.

No. Shh.! That's dumb From the example above show the braveness for say no.

You're an inspiration, Diana

You don't just save people

you make them see their better selves

From the example above it shows difficult thing she saves people.

d. Honestly

Honesty is the suitability between what is delivered or spoken in accordance with the action. Honesty has a sense of compatible with the facts that exist and nothing to hide Linda and Eyre (1993). Honestly is the same as the inner strength and confidence that is bred by exiting truthfulness, trustworthiness, and integrity.

I mean, honestly,

weird in so many ways.

But mostly just

From the example above it shows the honest from the perspective that there is still many way to do.

I honestly didn't hear anything after,

"We're all gonna die."

Then for the second example it showed the honest that afraid of they will just die for fight.

CONCLUSION

This discussions from prior chapters are to be summarized to achieve the purpose of the study. The summarizes may be conclude there are two classification found in *The Justice League movie*. First, the moral values of being there were peace and ability, self confident and potentially, courage sake and kindness, and the last one is honestly. The second, the moral values of giving were justice and mercy, love and affection, kindness and friendliness, and the last one is respect. The dominant types of moral values of being use in *Justice League movie* were peace and ability and selfconfident and potentially that have same percentage that was 35,71%. Second the moral values of giving the dominant was love and affection 75%.
